THE L.S. BROWNE CENTRE
DIGITAL DENTAL TRAINING

DIGITAL DENTURES

Start Date: 5th, December 2025
End Date: 5th, December 2025
Cost: £750

Course Introduction

Join **Rupert Monkhouse** for this hands-on 3Shape course focused on mastering digital denture workflows. Designed for clinicians looking to confidently integrate digital processes into removable prosthodontics, the course combines theory, case-based discussion, and practical application.

Delegates will explore complete digital workflows in 3Shape, review real clinical cases highlighting common challenges and their solutions, and take part in a practical scanning and design session. Working in pairs, participants will scan silicone impressions, perform altered cast impressions, and handle copy denture cases using a range of materials and equipment.

By the end of the course, delegates will have a clear understanding of how to implement efficient, predictable, and patient-centred digital denture workflows in everyday practice.
